- \*Sometimes we have fairly decent weather during these months and if it's nice, expect that someone will ride and a destination will be picked at that time.

\*\*

**Chapter 147: The Goldendale three-day ride:**

We will leave on Saturday, May 15<sup>th</sup> and return Monday, May 17<sup>th</sup>. The motel at Goldendale is the Quality Inn & Suites. Contact phone is (509) 773-5881; fax is (509) 773-3008. Their address is 808 East Simcoe Dr., Goldendale, WA 98620. Please make your reservation for Saturday night the 15<sup>th</sup>. The second night will be at the Best Western Columbia River Inn. Their phone number (541) 374-8777, fax (541) 374-2279. Their address is 735 Wanapa St., Cascade Locks, OR 97014. Toll-free reservations: 800-595-7108. If you are lucky, you'll get the riverside and have a great view of the stern-wheeler and other river traffic. This one can seem a bit pricey, but not outrageous. There is a cheaper motel across the river at Stevenson, but not much cheaper and not near as nice.

In addition to seeing Stonehenge and Maryhill Museum, there is also a carousel museum at Bickleton, WA. We should get great group and couple shots at all these locations.
